**Brief Description**

**Most Important Published Works**

Include writings in press, if relevant to the topic of the Seminar.

**References**

Please list below the names and addresses of two people able to write about your academic qualifications and interests, specifically as they relate to the topic of the Seminar. Please send one of the reference forms, with a copy of your project description and a copy of the Seminar announcement flyer, to each of your referees. They should complete the form and mail it directly to the Seminar Office so that it reaches us no later than **April 30, 2008**. Please note that recommendations must be written specifically for the Seminar; dossier file letters are not acceptable. We will accept letters written on letterhead rather than the form, and recommendations may also be sent via email (to [pdenault@fas.harvard.edu](mailto:pdenault@fas.harvard.edu)) if they are sent from the referee's email account.

## **Description of Paper Proposal**

Each participant will be expected to present a paper (in English) on an aspect of the topic of this year's Seminar. Papers must represent original research, must not have been published, and should attempt to place the detailed work in an Atlantic context whenever possible. Please explain in the space below the way in which your work relates to this year's topic, the main materials used, and the primary conclusions. You may attach additional sheets if necessary, but please do not send offprints or other previously published materials.
