- Please consult the requirements in the Concentrator Handbook as you complete this worksheet.
- You will need to submit petitions for any courses that are not on the courses that count list.

Plans must include the following requirements (check columns on right side of worksheet):

- A. One half-course lecture or survey in *history* that substantially covers at least one century.
- B. One half-course lecture or survey in *literature* that substantially covers at least one century.
- C. At least one half-course in *history* that emphasizes the relationship between countries within Latin America, or between Latin America and the U.S. or Europe, or examines multilingual/ multi-cultural populations within Latin America.
- D. At least one half-course in literature that emphasizes the relationship between countries within Latin America, or between Latin America and the U.S. or Europe, or examines multilingual/ multi-cultural populations within Latin America.

A particular course may fulfill more than one of the above requirements. Your completed form should include one check mark in each of the columns (A,B,C,D) to indicate which course will meet those requirements. If you are pursuing a transatlantic or hemispheric focus, you may allocate TWO of the FOUR elective half-courses to that area.
