

<b>FOR COUNTRIES WITH U.S. STATE DEPARTMENT WARNINGS</b>
--

## **ASSUMPTION OF RISK AND GENERAL RELEASE FORM**

***THIS IS A RELEASE OF LEGAL RIGHTS –  
READ AND UNDERSTAND BEFORE SIGNING***

I am a student at or recent graduate of Harvard College and have received funding and/or will receive academic credit from Harvard for research, study, work, or travel in a foreign country or countries (the “Project”). I have chosen to undertake this Project voluntarily. I was not required to undertake this Project as a condition of receiving my degree. This agreement confirms my understanding of the following:

1. Risks of International Travel; U.S. State Department Warning. I understand that participation in the Project and international travel involves risks not found in study at Harvard. These include without limitation risks involved in traveling to and within, and returning from, international locations; foreign political, legal, medical, social and economic conditions; different standards of design, safety and maintenance of buildings, public places and conveyances; and local weather conditions. The country or countries to which I will travel may have health and safety standards substantially below those enjoyed in the United States, and I recognize that I may be subjected to potential risks, illnesses, injuries and even death. I have made my own investigation of these risks, understand these risks and assume them knowingly and willingly.

I also acknowledge that in working, living and traveling in cities abroad, I may experience problems associated with urban living, including increased crime, pollution, high population density or standards of living and health standards that are not equivalent to life in the United States. I will take every precaution to safeguard my health and to protect my personal belongings from damage or theft. I acknowledge that Harvard recommends that I never travel alone, particularly at night. Being alone, especially at night, may present additional danger to my safety and well being.

Although Harvard is providing funding and/or academic credit for the Project, Harvard’s evaluation of the Project has been solely on its educational merits. Among other things, Harvard is not in the position to evaluate, and therefore has not evaluated, whether the Project will take place in a safe and secure environment. These are judgments that I recognize I must independently make.

I am aware that there is a current U.S. State Department warning about one or more of the countries to which I am traveling, and I have read and understood this warning. I acknowledge that I have knowingly and voluntarily decided to go forward with my travel plans in connection with the Project despite this warning. I also have read and understood the U.S. Department of State Consular Information Sheet about the country or countries to which I am traveling (available on the State Department website at <http://travel.state.gov>).

2. Health Insurance; Medical Care. I carry valid and current medical insurance and have a valid insurance identity card to bring. I have determined that this insurance is adequate to cover injuries or illnesses that I may sustain while participating in the Project. I will be solely responsible for payment in full of all costs of medical care I may receive overseas.

3. Standards of Conduct. I recognize that I assume an important personal obligation to conduct myself in a manner compatible with local laws and regulations, and with Harvard’s policies and expectations for student conduct. I promise to act responsibly and will become informed of, and will

abide by, all such laws, regulations and standards. I will comply with Harvard's policies, standards and instructions for student behavior. I agree that Harvard has the right to enforce the standards of conduct described above.

4. Travel Arrangements. I understand that Harvard does not represent or act as an agent for, and cannot control the acts or omissions of, any host family, employer, transportation carrier, hotel, tour organizer or other provider of food, goods or services involved in the Project. I understand that Harvard is not responsible for matters that are beyond its control, and that it cannot warrant the safety or convenience of the circumstances under which I will be living or working.

5. GENERAL RELEASE. Knowing the risks described above, I agree, on behalf of my family, heirs and personal representative(s), to assume all the risks and responsibilities surrounding my participation in the Project. To the maximum extent permitted by law, I release, hold harmless and agree to indemnify Harvard, and its officers, directors, faculty, staff, representatives, employees and agents, from and against any present or future claim, loss or liability for injury to person or property which I may suffer, or for which I may be liable to any other person, related to my participation in the Project (including periods in transit to or from my destination), resulting from any cause, including but not limited to ordinary or gross negligence.

I have carefully read and freely signed this Assumption of Risk and General Release Form. I understand and agree that no oral or written representations can or will alter the contents of this document. I agree that this agreement shall be governed by the laws of the Commonwealth of Massachusetts (excluding its conflict of laws principles), which shall be the forum for any lawsuits filed under or incident to this agreement or the Project.
